## Life Skills Delivery - February Topic: "MRS SORT PAD"

This month we will be focusing on MRS SORT PAD. 'She' will hopefully help our learners understand the diverse personal characteristics which are protected under the new Equality Act 2010. Learners will be playing MRS SORT PAD monopoly to introduce them to issues that might arise in their lives in relation to equality and diversity. This will help them understand and cope well with equality concerns.

### E-Learning

GeTaHead is constantly looking for ways to move forward, particularly with technology.

We are therefore excited to announce students will shortly be introduced to e-learning. This is an online resource that all learners will be able to access in their own time to help with theory work.

### Employer Forum

We are planning an employer forum during March. Further details in next News Letter

### Assessor Award

We are hoping to deliver the new assessor course, TAQA, in the next couple of months.

Interested? Contact 01777 704225 for more info or see your GeTaHead

### Dermatitis

Up to 70% of hairdressers suffer from work related skin damage, such as dermatitis, at some point during their career—most cases are preventable.

### GeTaHead Training Hairdressing Competitions May 2011

You will shortly be receiving information on our annual hairdressing competition. This year we are thinking of asking salons to do a 5 minute presentation on stage to show off their skills.

See your GeTaHead trainer for more information and to express your interest.
